

<<Team Name Status Report Week (6)>>

Project Summary

This week, we briefly talked about the Activity Diagram but unfortunately did not plan enough time to work and get it done.

Team Members - (Hours Worked on Project)

AJ Saporito - 1

Tristen Jussaume - 1

Completed Tasks from Last Week - (Task Owner)

Last week, we completed prototypes, database design, and the midterm presentation.

<u>Planned Time</u>	<u>Actual Time</u>	<u>Remaining Hours in Budget</u>
2	1	1

Planned Tasks for Next Week - (Task Owner)

Activity Diagram and Class Diagram

Project Risks - (High, Medium, Low)

Low - time management

Overdue Tasks

Activity Diagram

Issues

No issues besides completing the Activity Diagram from last week.

Follow-up Actions - (Responsible Person)

Update Gantt chart, complete Class Diagram, and add to wiki site.
